

Note that the previous E-Cats in the Surface Coil directory are now all M-Cats. Since they have all propagated as E-Cats previously, it would be wise to list both catalog numbers for FE references:

| <b>COIL</b>                   | <b>E-CAT NUMBER</b> | <b>M-CAT NUMBER</b> |
|-------------------------------|---------------------|---------------------|
| 1.5T QUAD CTL ARRAY           | E8800P              | M1087SP             |
| 1.0T QUAD CTL ARRAY           | E8800PA             | M1887SP             |
| 1.5T QUAD EXTREMITY COIL      | E8800T              | M1085E              |
| 1.0T QUAD EXTREMITY COIL      | E8800TA             | M1885E              |
| 1.5T SHOULDER ARRAY           | E8800M              | M1087SD             |
| 1.0T SHOULDER ARRAY           | E8800MA             | M1887SD             |
| 1.5T QUAD NEUROVASCULAR ARRAY | E8800L              | M1087N              |
| 1.0T QUAD NEUROVASCULAR ARRAY | E8800LA             | M1887N              |
