CT RESTRICTED MATERIAL - TAB DISTRIBUTION

OVERVIEW

As of 8/11/00, CT Engineering will "mass" distribute restricted materials on TAB 182, as required. This service note is to inform GE personnel who are members of the TAB's listed in [Table 1](#) that they have been automatically added to TAB 182. This now creates a new "super" TAB for restricted material distribution. Existing TAB number will not be removed. They will remain and be used when necessary by CTE.

Instructions for interfacing into the TAB distribution system are also provide in this service note.

Note: You should always consult the latest FE Manual if the instructions contain herein do not produce the results desired. Instructions for ordering proprietary materials is also contained in the FE manual.

TAB 182 - CT RESTRICTED MATERIAL

Tab #182 (the former CT 9800 class M tab) is being made a "super" tab. Its new name is "CT Restricted Material". If you are a member of a TAB in [Table 1](#), do not take any action.

THE TAB DISTRIBUTION SYSTEM

The following is an excerpt from Revision 06 of the FE MANUAL, dated Sept '98. The most recent version of the FE Manual can be obtained, using MS Exchange. Within GEMS, the path is "Public Folders/All Public Folders/Medical Systems/Americas/GPO GRO Quality System."

1. The Tab System (Document Distribution System) is used to distribute new and revised service documentation, software, CD-ROMS, service notes, FMI's and other misc. service information.
2. A listing of all GEMS TABS is available through DOCUMENT DISTRIBUTION SYSTEM under PCICS. To access the Doc Distribution System Tab list.
 - A. Go to PCICS
 - B. Select DOCUMENT DISTRIBUTION APPLICATION - Hit enter
 - C. Select TAB OWNER FUNCTION - Hit enter
 - D. From the TAB OWNER FUNCTION, you will be able to view GEMS on-line tab listing. To browse the list use F8 Forward/F7 Backward. You may also "SORT" the list, by either tab type, tab title or tab number. Supply required data, hit F14 Read, and your desired segment of the tab listing will appear.

To access a detailed tab description

- A. Go back to MAIN MENU - Hit F12
 - B. From the MAIN MENU - Indicate specific tab number in the TAB NUMBER FIELD (01) at the top of the screen and cursor select TAB INSTRUCTION function and hit enter. A detailed description of the tab will appear.
3. To view tabs currently assigned to an employee, this function is also available through the DOCUMENT DISTRIBUTION SYSTEM. To view tabs per employee
 - A. Go to PCICS
 - B. Select DOCUMENT DISTRIBUTION APPLICATION - Hit enter
 - C. Select RECIPIENT LAST NAME BROWSE FUNCTION - Hit enter
 - D. From the LAST NAME BROWSE FUNCTION, indicate the last name of the individual you are searching for in the "Start at Last Name" field. Hit F14 read and a list of individuals will appear on the screen with the last name. Cursor-select the individual you want and hit F10. This will take you directly to TAB ASSIGNMENT SCREEN for that individual.
4. To request to be added to/deleted from tab lists.
 - A. Use Common Form TAB REQUEST on E-mail.
 - B. CALL either 414-544-3363 or 414-544-3839
 - C. For PROPRIETARY TABS - see Section 3 - PROPRIETARY TAB AUTHORIZATION.
5. Address Changes
 - A. All address data in the DOCUMENT DISTRIBUTION SYSTEM for GEMS U.S. employees is systematically controlled through HR DATABASES. To request a change in either your home address or mail code, submit COMMON FORMS - ADDRESS CHANGE request on E-mail.
 - B. To request an address change for individuals that are not U.S. GEMS EMPLOYEES (all manuals entries), call either 414- 544-3363 or 414-544-3839.
